10th Anniversary

Lyrical Gala

NovAria

The NovAria company is celebrating its ten years of life and success with a very special and supportive lyrical gala, which will serve to support the Alzheimer's prevention and research project, which is carried out by the Pasqual Maragall Foundation. The profits collected will go entirely to the Foundation.

During the last decade, Novaria has proposed year after year unique opera seasons at the Palau de la Música Catalana, with a distinctive and innovative format, with the orchestra integrated into the scene and lasting no longer than two and a half hours, intermission included.

The lyrical gala features artists who have participated in the project over the last ten years, as well as soloists and external world-renowned collaborators of the international scene, who have selflessly wanted to join in. All of them will be accompanied by the NovAria Filharmonia Orchestra - the company's own symphonic formation - as well as the NovAria Choir and Ballet.
